**HINDS
COMMUNITY COLLEGE**

Raymond, MS 39154

**Editors: Tara Hall
Anona Ellis
Adviser: Bob Hodges**

Another successful year has come and gone at Hinds Community College. While some traditions have stayed the same, Hinds has taken on a positive outward approach to its environment. Besides all the friendly, new faces that have brightened Hinds' halls and walkways, much effort has been put into keeping the campus a beautiful place — but it's all in the nature of things!

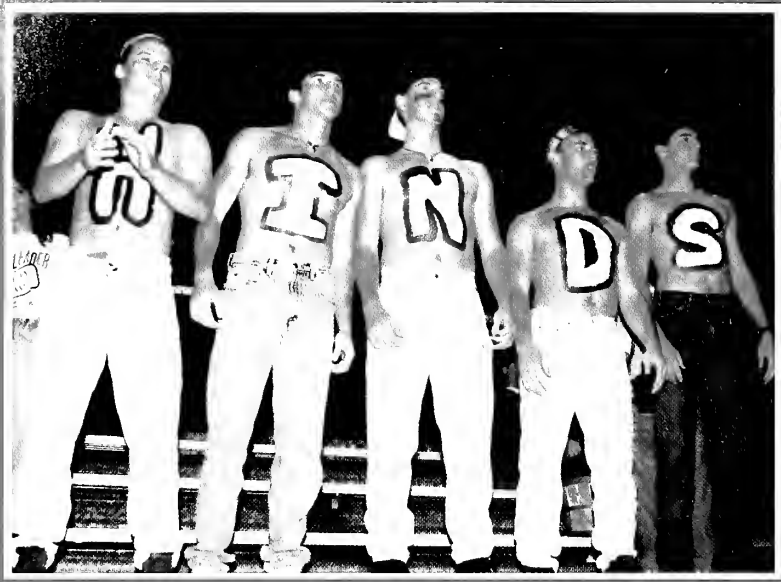

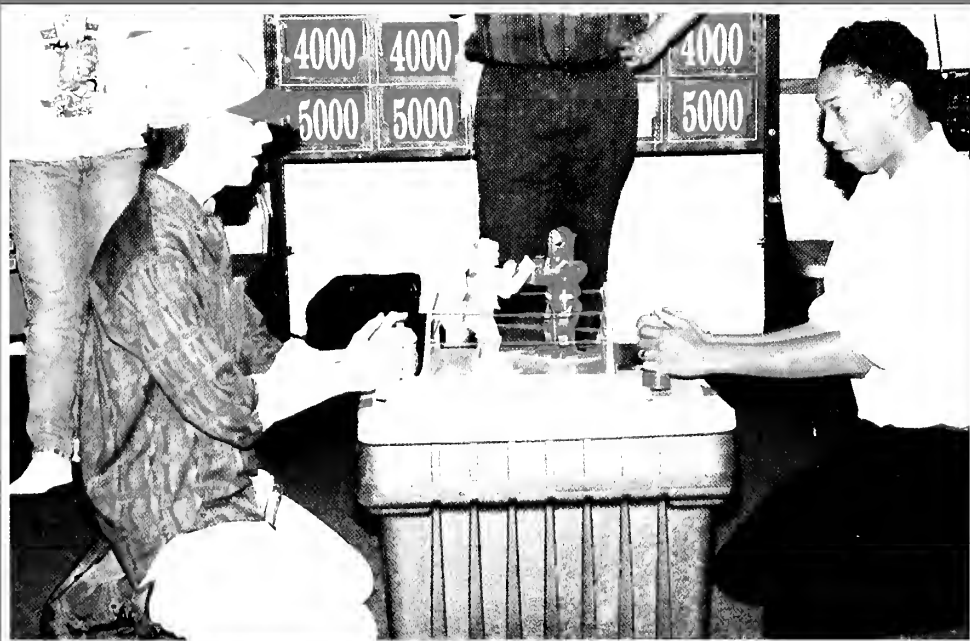

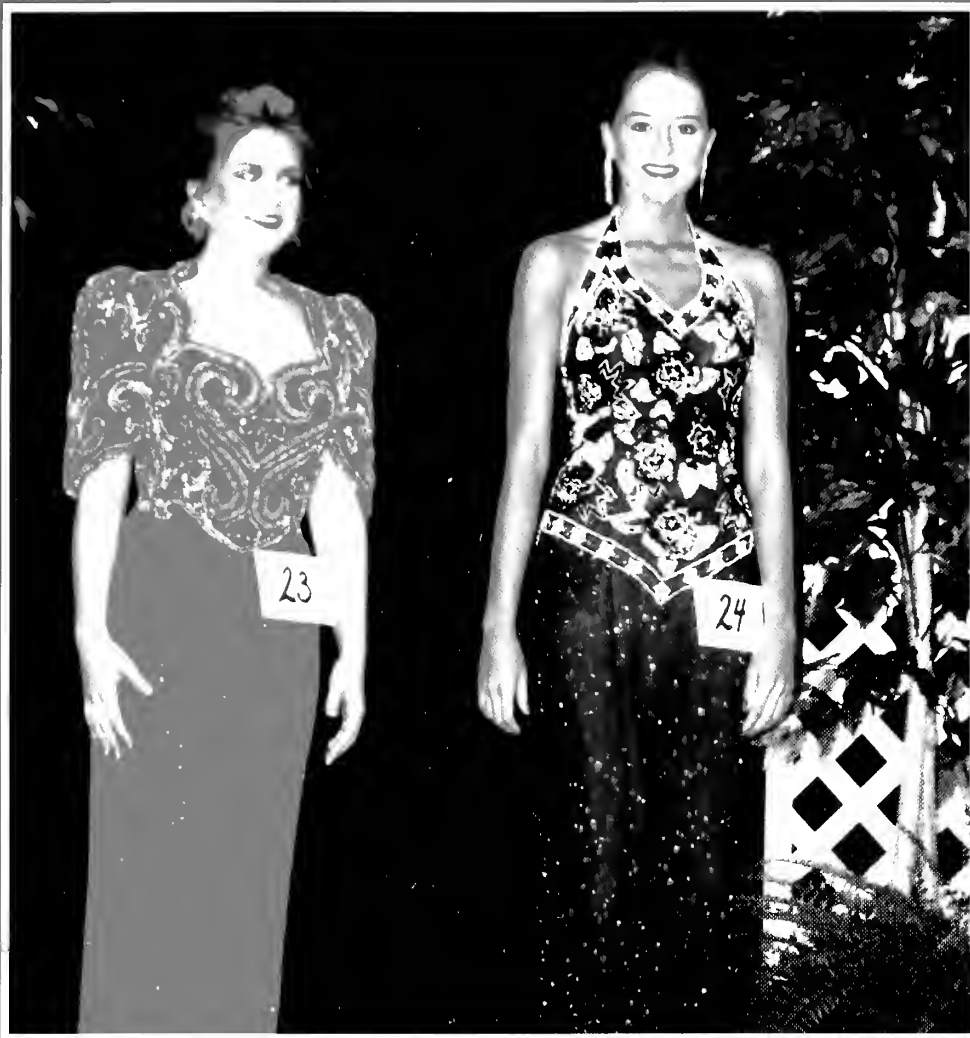

reuse, and recycle. Stay healthy and keep fit. A new attitude has swept over us. Being one of the largest campuses in the state, Hinds students have definitely learned what it means to walk. But in the midst of midterms, catching up in lab, and running to eat before the cafeteria closes — take time to sit and enjoy the peaceful environment of Hinds. Stay in the nature of things!

Rain, sleet, snow or shine, Eagle fans are always there to support a great game or event. With its active student body and family and numerous clubs and organizations, Howard generates an energetic atmosphere. WE always keep in the nature of things!

new friends, new roommates, new teachers, new schedules, and new routines — it's all a part of college and dorm life. The happy and exciting times, as well as the hectic and disappointing times have all been captured this year. But most important of all — staying focused on the goals, the dreams, and all the encouraging aspirations that go into a new year has kept us alive In The Nature of Things!

PUNCHLINE

THE COMEDY GAME SHOW

The Year in Review

The 68th Miss America was 21-year-old Heather Whitestone who became the 1st contestant with a disability to win the Crown. Her slogan in the competition was "Youth Motivation: Anything is Possible." She was proof enough of that having lost most of her hearing when she was 18 months old.

If rock'n roll is here to stay then 1994 made it clear that Aerosmith is too. The band of bad boys from Boston proved that heavy metal need not rust, taking away 3 awards at the 11th annual MTV Music Awards ceremony.

It rained and still thousands crashed the gates. Still, Woodstock '94 looked a lot like the original 1969 rock festival — right down to the fans, who wouldn't have missed it for the world.

Cuban refugees headed north on almost anything that would float, including rafts made out of the flimsiest materials. These were tens of thousands of people desperate to come to the U.S. to escape the poverty and hunger of their increasingly isolated Communist nation.

**GREED
KILLS
STRIK**

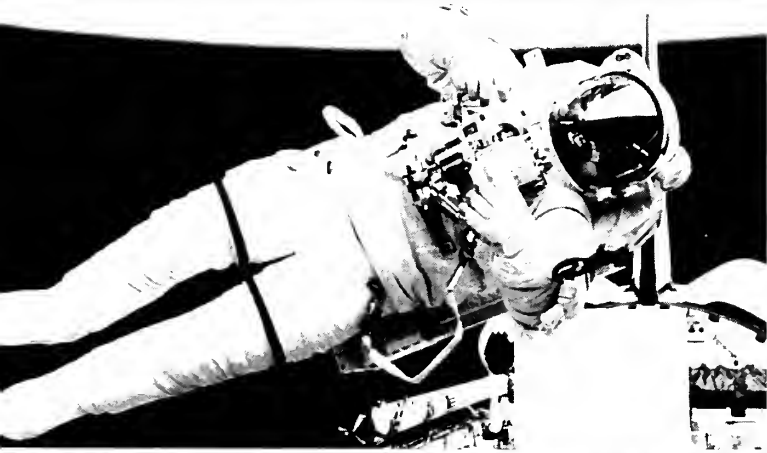

The 1994 baseball season ended not with a home run or a strikeout, but with a Conference call and a fax. On the 34th day of the major league players' strike, the team owners canceled the rest of the season, including the playoffs and the World Series. Fans had to suffer through a fall without a World Series for the first time since 1904.

O.J. Simpson has been a football star, a sportscaster, a commercial pitchman and an actor, therefore he has mostly lived his life on camera. However, nothing could have prepared him or his fans for the role he would play in 1994: a major suspect in the brutal slashing murder of his ex-wife and her friend, Ronald Goldman.

It was a rainy month in Georgia when two weeks of record flooding in July killed thirty-one people, destroyed hundreds of bridges and roads, and even uprooted caskets from cemeteries. Officials reported hundreds of thousands of dollars in damage.

Jet-propelled astronaut unhooked his lifelines to the space shuttle Discovery and flew free, 150 miles above Earth. It was the first untethered spacewalk in ten years. The astronaut was Mark Lee.

It was a match made in tabloid heaven! Lisa Marie Presley, the only child of Elvis Presley, got hitched to the reclusive Michael Jackson.

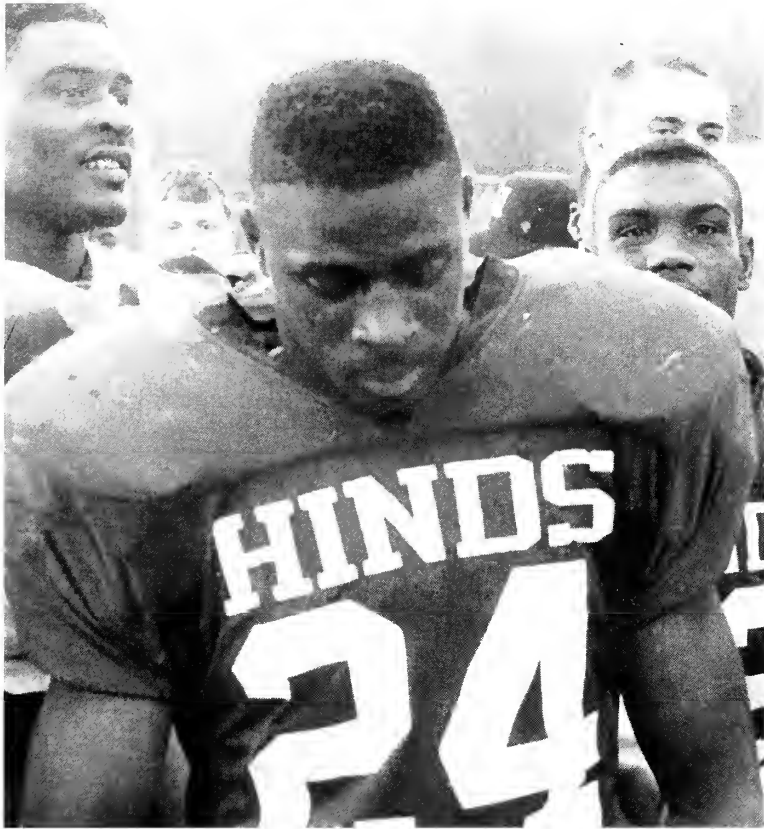

Two men who had regarded each other with suspicion for six decades shook hands on the South Lawn of the White House and once again peace in the Middle East seemed more than just a dream. President Clinton, who played host while Rabin and Hussein signed an agreement, shared their optimism.

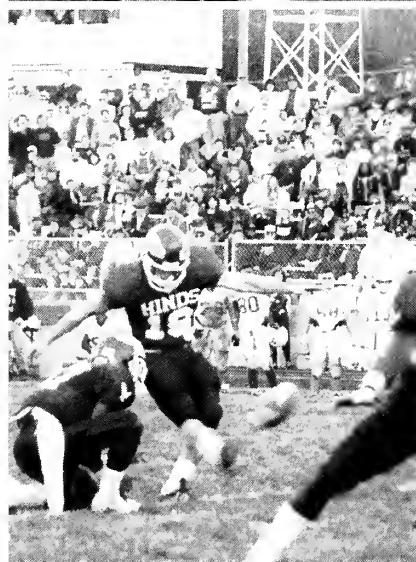

Frank Corder suffered from depression, had a history of drug and alcohol abuse, and was probably suicidal. However, nothing really why the Maryland state trucker stole a small plane and crashed it into the White House lawn on September 15, 1994.

Hinds Eagles Win Bowl Game 19-17

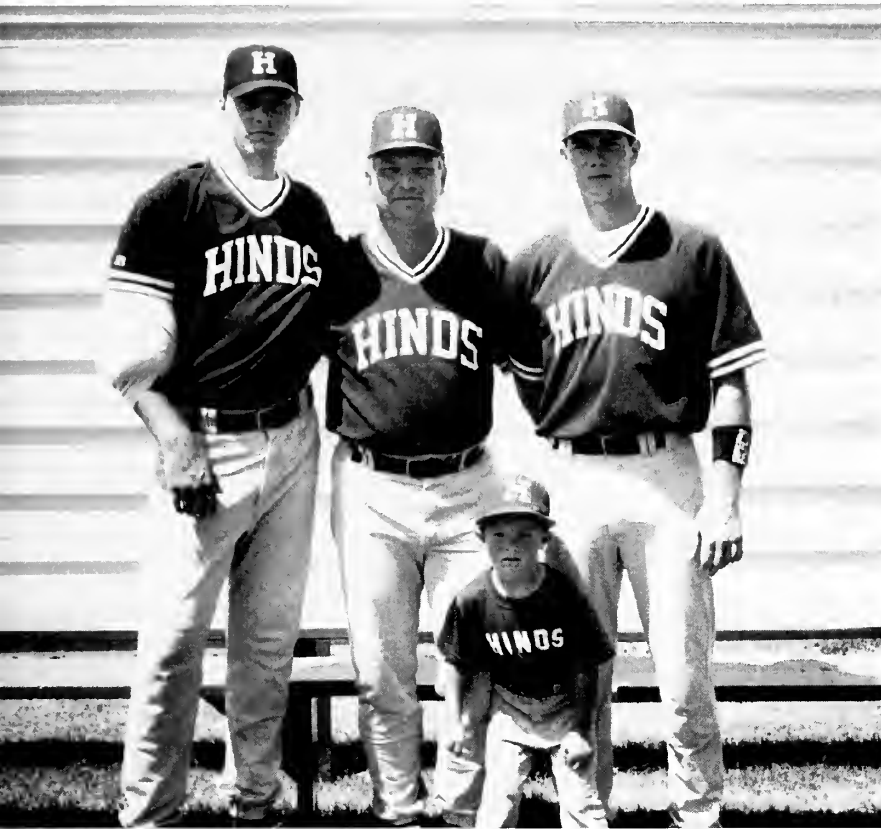

Hinds Lee Ragsdale was named the outstanding offensive player of the Mineral Water Bowl Game. He had 26 carries for 112 yards.

The Hinds Eagles defeated the Blinn College Buccaneers 19-17 in the 29th annual Mineral Water Bowl in Excelsior Springs, Missouri December 3. The bowl win was Hinds first bowl victory since the 1954 Junior Rose Bowl. The win marked a historical 11 straight game win for Hinds and gave them a 11-1 overall record for the season. Blinn finished with a 9-2 overall record.

Hinds Baseball in World Series

NJCAA WORLD SERIES — The Hinds Community College Eagle baseball team was the first Mississippi Community/Junior College baseball team to participate in the National Junior College Athletic Association's Division II World Series in Millington, Tennessee. Hinds Jeremy Dixon, right, of South Jackson was the first Mississippian and first Hinds player to hit a home run in the World Series game against Southeastern Iowa. Pitcher Chad Bradford, left, of Jackson pitched a one hitter game against the same team. Pictured also are Hinds coach Rick Clarke and son Josh. Hinds defeated Southeastern 12-2. Hinds' two losses in the series were 9-4 to Henry Ford and 6-5 to Carl Albert. Hinds finished the year with a 32-24-1 record.

Beauty Pageant 1995

The 1995 Beauty Pageant selected Lacey Farmer as Most Beautiful at Hinds Community College. The pageant is directed by Mrs. Anna Bee and serving as Master of Ceremonies was Alon Bee, Jr. Bob Hodges served as assistant director and Jack Hite was sound coordinator. Staging was done by the Hinds Circle K Club.

HCC YEARBOOK BEAUTIES — Beauties and Most Beautiful were chosen in the 1995 Hinds Community College Eagle Yearbook Pageant February 8 in the Raymond Campus Cain Hall Auditorium. From left are Cheri Boyd of West Monroe, Louisiana; Allison Conn of Brandon; Lacey Farmer of Clinton (Most Beautiful); and Tiffany Davis and Angela Wickwier, both of South Jackson. These winners will be featured in the Hinds 1995 Eagle Yearbook.

1994 Miss Hinds Pageant

The 1994 winner of the Miss Hinds Pageant represented Hinds Community College in Vicksburg in the Miss Mississippi Pageant. Contestants in the Miss Hinds Pageant were judged on interview, swimsuit, evening gown, and talent. Mrs. Anna Bee served as pageant director and stage lighting was provided by the Circle K club.

PAGEANT WINNERS — Tisha Thigpen, second from left, was crowned the 1994 Miss Hinds and represented the College in the Miss Mississippi Pageant. Other winners were from left: Carissa McGraw, first runner-up; Tina Miller, second runner-up, and Bethany Ates, third runner-up. At left is Hinds president Dr. Clyde Muse.

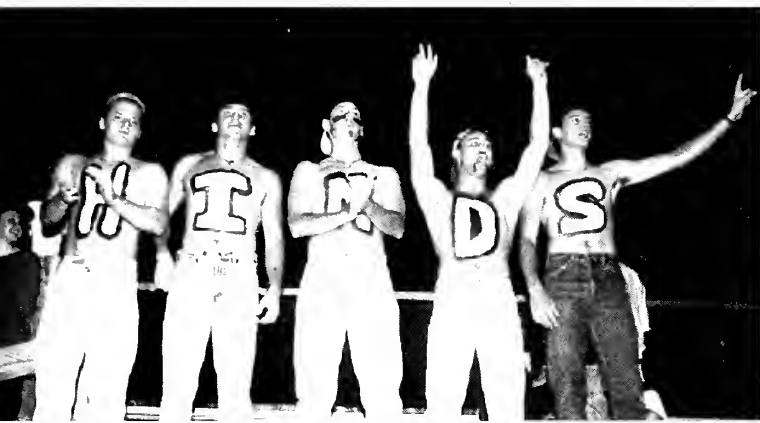

1993 Miss Hinds, Tara Garner, crowns Tisha Thigpen the 1994 Miss Hinds.

President

Mr. and Mrs. Beemon act as hosts along with Dr. and Mrs. Muse at a Hinds open house.

Under the leadership of Dr. Clyde Muse, who became president of Hinds Community College in 1978, Hinds has grown into one of the state's large educational institutions with over 13,000 students and six locations.

Dr. Muse has his own educational roots deep in the Mississippi community college system as a graduate of East Central Community College.

His progress, traced through further degrees from Delta State University and Mississippi State University, and his years as an educator and administrator in the state's public schools, to his being named Hinds president, can be seen as an inspiration to all community college students.

Not only is Muse an example of what young people of today can hope to achieve, but he understands their educational needs and their aspirations.

Muse's presidency entails not only the day to day administrative duties pertaining to the College, but he also acts as a liaison with the state legislature and the Hinds Board of Trustees on behalf of the College. In addition, he and his wife, Vashti, enjoy another aspect of the job, which is to serve as official hosts for the College. This entails sponsoring a number of functions which bring the College closer in contact with the community, and lends their presence and support to student activities.

Muse, a leader in many professional and civic organizations, has received many honors for his activities and achievements. Most recently, these include being named the 1993 "Alumnus of the Year" for the Mississippi State University School of Education and being the 1993 3-E Award winner at Hinds. He was also named East Central Community College's 1991 "Alumnus of the Year" and he also received the Mississippi Association of School Administrators' 1991 "Golden Lamp" Award.

Though the presidency of Hinds is a 24-hour-a-day job, Muse finds relaxation doing some of his favorite things in his "off" hours — these include jogging on the track, gardening, and spending time with his family. He and Vashti have three children, Vernon, Julia, Susan and six grandchildren.

Alumni Service Award

Walter Hallberg

Walter Hallberg, retired owner and president of Waggener Auto Parts Company, Inc., of Vicksburg, helped to start the Development Foundation's student loan program and provided some of the initial funding. The program has helped many students fund their education and continues to be Hallberg's major concern on the board.

In addition to continuing his many years of service on the vocational-technical advisory board of the HCC Vicksburg-Warren County Branch, Hallberg is active with the Warren County Chapter of the HCC Alumni Association.

He and his wife, Betty, support youth athletics in Vicksburg, and with several of their eight grandchildren involved, they enjoy attending games.

Alumnus of the Year

Zig Ziglar

1994 Alumnus of the year, Zig Ziglar, attended Hinds in 1943. He is head of the Zig Ziglar Corporation of Carrollton, Texas which he and his wife, Jean, began in 1970 as the Zigmanship Institute.

In addition to authoring nine best-selling books (the newest is "Over the Top"), Ziglar personally presents many of the company's training and motivational seminars.

He carries the name of Hinds Community College throughout the world in his lectures and continually credits his teachers at Hinds, Jim El and Jobie Harris, with having had a great influence in his life. In 1992, he established scholarships to Hinds in their honor.

The Ziglars live in Tyler, Texas.

Hinds Sports Hall of Fame

"Marty Garton was a versatile individual who loved competitive sports," says HJC schoolmate R. Miller Dent, Brig. Gen. MS ARNG (ret.) "He was at home on the baseball diamond, an excellent guard in basketball, and an outstanding end in football. He was a good athlete, a good student, and he was well respected."

Garton was All State in football and an All Conference end. He continued to play football while at the University of Mississippi. Coach J. R. "Jobie" Harris says, "He was a 'giant', a 'real athlete.'"

However, Garton enlisted in the Army in 1942, and went overseas early in 1944 to serve in World War II as a Ninth Air Force P-47 pilot. Later that year, he was killed during his 29th combat mission.

Garton's widow, Prudie Meredith Moss, now lives in Batesville. Their son, Marty, Jr., lives with his wife and three sons in Vicksburg where he is with the Army Corps of Engineers.

Joe Renfroe played football 1941-44, at Tulane University where he earned his bachelor's degree. He was All American in 1943 and 1943-44 he was All South Eastern Conference. His playing career was cut short when, after with the New York Giants in 1945, he was injured in the All-Star game in Chicago that year. While coaching for Hinds in 1952, he received his master's degree from the University of Southern Mississippi. Renfroe led the Eagles, state champions and nationally ranked number one to the National Championship with the Junior Rose Bowl victory in 1954. His coaching record stands at 132 wins, 72 losses and 5 ties. He saw 10 of his players receive All-American honors, with 6 going on to the National Football League.

Renfroe led Hinds to four state baseball championships in seven years; and his men's golf teams won six state championships in the eleven years that he coached sports.

"Coach Joe," who was inducted into the Mississippi Sports Hall of Fame in 1983, died Dec. 9, 1987. The following year, Hinds named the Joe Renfroe Stadium in his honor and established a scholarship fund in his memory.

A native to Yazoo City, Greg Holmes lettered for four years in basketball, football, track, and baseball at Terry High School. He was selected to play for the south in the Mississippi High School All-Star game in 1968.

During his two seasons under Coach Troy Ricks, Holmes averaged 10 points per game for the Eagles.

Holmes played for the University of West Florida for one year before earning his bachelor's degree in health and physical education in 1972. He later earned a master's degree in physical education from Jackson State University.

He coached boys and girls basketball at Utica High School 1973-1981 with an overall record of 339 wins and 95 losses. He won 8 Capital Athletic Conference championships, 4 CAC runner-ups 5 District VI Class BB championships, 4 District VI Class BB runner-ups, 3 South Mississippi BB championships (boys), 2 State championships (boys), and two Overall State runner-ups (boys).

He and his wife reside in Gulfport along with their two sons.

At Jackson's Central High High School, Dixie Lewis was All Big 8 in basketball and was named Best Athlete. She was also elected cheerleader and ROTC sponsor. In addition, her "phenom" track record earned her a track scholarship to Hinds Junior College.

R. B. Ward of Augusta, Georgia, Hinds track coach in 1938-39, recalls the outstanding contribution Lewis made to that sport when she broke the state record in the 75-yard dash. Newspapers recounted, "Amazed officials clocked Dixie Lewis, fleet Jackson girl and former Central High athlete at 8.6 in the 75-yard dash, which tops the state records. Miss Lewis was second in the 50-yard dash and came in ahead as anchor on the relay."

Dixie Lewis Westerbeck attended Belhaven College, and after working for several years for Federal Aviation, she became employed with Blue Cross/Blue Shield. She resides in Brandon, and in retirement she has played golf at Bay Pointe.

In nominating Frank Young for the HCC Sports Hall of Fame, New York Football Giants Coach Earl Leggett, says, "Coach Young's inspirational coaching played a major role in Hinds Junior College's success during his years serving as both defensive and offensive line coach. He was instrumental in the 1954 undefeated season, the victory in the Junior Rose Bowl, and the National Championship, as well as the undefeated 1957 season."

1956 alumnus James H. Corbitt of Eatontown, New Jersey, says, "Frank Young was th type of coach who inspired you to give everything you had in practice as well as on game day. My experience at Hinds with Frank Young has been an inspiration to me ever since."

Before signing on at Hinds, his jobs included serving as a line coach at Gulfport Junior High School. After leaving Hinds, he served as defensive coordinator at Tulane University and at Texas Christian University before finding his niche at Auburn University as linebacker coach and recruiting coordinator. He retired in 1991.

In addition to his wife, and their two grown children, Young's main interests in retirement are hunting quail and raising setters.

Editor's Closing

Mission Accomplished! An exciting yet hectic year has come and gone. A lot of major changes were forced on the staff this year, but we were still able to produce another successful yearbook.

Much thanks to everyone who helped to enlighten this year's edition. We express our deepest gratitude to Anona who helped us as much as she could. We are sad that next year we will be losing two great photographers — Russ and Doug. Thanks you guys — you will be greatly missed. However, you've passed down your world renowned talents to Jeff who will stay aboard another year. To Bob, we are greatly indebted. With all the not-so-nice phone calls telling us to get the book on the road (and fast) you managed to hang in there to the end.

So here's to another rushed year and a soulful rendition. Thanks and take it easy!
